

## **TPCUG Volunteer Opportunities**

We are looking for volunteers to join our web team. We use HTML5. We will train you to help us update web pages monthly.

Are you curious about what our board meetings are like and perhaps thinking of joining? Do you have new ideas for our club that you would like to share? Can you, or do you know of someone who can, give a presentation at our monthly meetings? Any member is welcome to attend and sit in on our meetings. Board members meet the first Thursday following the members monthly meeting via Zoom.

If interested in any of the above, contact us at [tpcug\\_ct@yahoo.com](mailto:tpcug_ct@yahoo.com)
